

Intermediate Drawing for Teens

Class Description:

Join Nicole Kutz **Wednesday evenings from 5:30 – 7:30 PM** for a **six week** intermediate drawing workshop! Students will learn more advanced drawing techniques using graphite, charcoal and other materials with an emphasis placed on creative experimentation and cultivating a thoughtful drawing series. The class will work primarily from life and reference photography and also offer a dive into the role drawing plays in contemporary art. Students of all levels are encouraged to sign up, but it is recommended to have taken either a beginning drawing course or have taken art classes previously.

Age Groups: 13-19

Class size minimum: 8

Sessions: 6 classes

Class length: 2 hours

Supplies: Students will need to bring own supplies with some supplemental supplies provided (class list attached)
